IAEP Student Research Grant Program

The IAEP

- Is a multi-disciplinary society of professionals whose experience and practice relates directly to enhancing environmental quality.
- Unites practitioners in business, government and education.
- Promotes public and professional informed awareness of issues affecting environmental quality.
- Supports professional development and transfer of knowledge in environmental planning, research, management, and evaluation.
- Encourages incorporation of environmental concerns in planning and decision making.

The STUDENT RESEARCH GRANT PROGRAM

The SRGP is an effort to increase student interest in the environmental professions and to support them in conducting research and defining their career goals. The student research grant program will review all applications and give one **First Place award of \$1,000 and one Second Place award of \$500** to aid students in conducting their research project (limited to supplies and mileage). The winners will receive their awards and recognition at the IAEP May 2015 Meeting. Winners will also be required to create a poster in HTML or PDF format of their research project to be posted on the IAEP website (both prior to project initiation and updated after the project has been completed).
