IAEP Student Research Grant Program

The IAEP

- Is a multi-disciplinary society of professionals whose experience and practice relates directly to enhancing environmental quality.
- Unites practitioners in business, government, and education.
- Promotes public and professional informed awareness of issues affecting environmental quality.
- Supports professional development and transfer of knowledge in environmental planning, research, management, and evaluation.
- Encourages incorporation of environmental concerns in planning and decision making.

The STUDENT RESEARCH GRANT PROGRAM (SRGP)

The SRGP is an effort to increase student interest in the environmental professions and to support them in conducting research and defining their career goals. The student research grant program will review all applications and **give two awards of \$2,500 each** to aid students in conducting their research project (limited to supplies and mileage). Winners will also be required to create a short a one page PDF of their research project to be posted on the IAEP website (both prior to project initiation and updated after the project has been completed). Winners will be invited to attend and present their research results via a short PowerPoint presentation at the IAEP Golf Outing dinner on September 12, 2024. A complimentary dinner will be provided. *Attendance is optional and not a prerequisite for the award.*
