

Since 1975
**Illinois Association of
 Environmental Professionals**
(Please Circle Your Level)

General Membership - Available to individuals with a minimum of three years of experience as an environmental professional. General Members can attend programs at the Professional Membership Rate.

Associate Membership - Available to individuals who are, or actively seek to become, involved in environmental professional activities, and do not meet the requirements of a General Member. Associate members can attend programs at the Professional Membership Rate.

Student Membership - Available to students who are pursuing a career in the environmentally related field. Student members can attend programs at a reduced cost.

Corp/Institutional Membership - Available to corporations, foundations, educational institutions, government agencies, trade groups, and other organizations supporting the environmental profession and have one or more employees or principals who meet the requirements of General Membership. Corporate Members receive all the benefits of Professional Membership. In addition, the Corporate Member receives:

- A Professional Membership for one of its qualified staff members;
- Floating Privileges - Up to five employees may attend programs at the General Membership Rate;
- Free job postings
- A website link on the IAEP website.

The Illinois Association of Environmental Professionals is a 501(c)(3) non-profit and non-lobbying organization and Affiliate of the National Association of Environmental Professionals.

Contributions are deductible according to law.

Illinois Association of Environmental Professionals
An Affiliate of the National Association of Environmental Professionals

www.iaepnetwork.org

IAEP is a Multi-Disciplinary Society of Professionals that:

- Network in business, government, and education;
- Promote awareness of environmental issues impacting the private and public sectors;
- Advocate that environmental concerns be incorporated in planning and decision-making activities;
- Support professional development for members and provide career guidance to students;
- Support and promote IAEP Code of Ethics and Standards of Practice for environmental management issues.
